FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

Analysis

In part, **CSSB74(FIN)** authorizes the DHSS to apply for federal waivers and options to reform the Medicaid program and to assess the most cost-effective method for revising expansion coverage.

Section 28, p. 25 lines 27-29 charge the Department with "reducing the cost of... senior and disabilities services provided to recipients of medical assistance under the state's home and community-based services waiver."

Section 30, p. 29, lines 11-13 direct the Department to apply for the 1915(i) option under Medicaid.

Making use of the 1915(i) option offers the Department the opportunity to shift eligible recipients from 100% general funded grant programs to the 50% federal/50% general fund funded 1915(i) Medicaid option.

The Department will use this option to refinance the Senior Community Based Grant component's Adult Day and Senior In-Home Services for those who are receiving the service and are also Medicaid eligible.

Adult Day Grant: Total general fund expenditures = \$1,757.0, serving 423 recipients. Of those, the Division of Senior and Disabilities Services (SDS) anticipates serving 114 under the 1915(i) option with an average cost per individual of \$4,153.69. Estimated general fund Adult Day grant services to be refinanced with the 1915(i) Medicaid option = \$473.5.

Senior In-Home Grant: Total general fund expenditures = \$2,917.3, serving 1,371 individuals. Of those, SDS anticipates serving 123 under the 1915(i) option with an average cost per individual of \$2,127.84. Estimated general Senior In-Home grant services to be refinanced with the 1915(i) Medicaid option = \$261.7.

The combined estimated general fund to be refinanced through the use of the 1915(i) option = \$735.2.

Changes to the State Plan and regulations are required to implement the new option and would involve extensive public comment. The Department expects the 1915(i) option for senior community based services to be implemented by FY2018.
